

Twin Lake Property Owners Association

PO Box 807
Lewiston MI 49786

July 15, 2022

Dear Supervisor Runyan,

The Board of Directors of the Twin Lakes Property Owners Association (TLPOA) has been actively following the Albert Township handling of complaints related to the Barger Creek tower recently erected along the southwest shoreline of West Twin Lake. Our TLPOA Board applauds the Township efforts thus far in the enforcement of the Township Greenbelt Ordinance which has long been a priority for the TLPOA and which we believe this particular tower violates.

While our Board certainly is not against technological progress in the Lewiston area, we do feel strongly that any infrastructure planned for construction around East and West Twin Lakes should meet all Township permit and zoning requirements and be in compliance with the Township Greenbelt Ordinance.

We encourage continued Township enforcement in this particular and any future situations.

Best regards,

Tom Conquest
President, TLPOA Board of Directors
