Camp Grayling Proposed Expansion

PAT KISH

Resolutions opposing the expansion of Camp Grayling.

Data as of 23 May 2023

71 local governments opposing expansion and counting.
 Map prepared by the [Au Sable River Property Owners Alliance](#)

Long-term (20 year) lease rejected.

MI National Guard may apply for short-term special use permits of 52,000 acres, with some restrictions.

Many still oppose any expansion. Their slogan is “Not one more acre!” Their reasons

- The MI NG has not demonstrated the need for additional land
- The MI NG has not remediated current PFAS contamination
- Concerns about electromagnetic warfare activities
- No provisions in the Memorandum of Understanding for monitoring
